

16 New Hotels To Visit In 2020

While the pandemic has slowed down travel, it has not stopped the welcome news of new hotels opening. Properties spanning from Austin to Osaka continue to forge ahead with their plans and invite visitors to check in and stay a while.

[Forbes Travel Guide](#) gathered some of the luxury hotel openings that should be on your radar. Whether you bookmark these destinations for a future trip or book a stay now to be among the first guests, our list of 16 brand-new hotels to visit this year (or beyond) will give you some travel inspiration.

Find some wellness at Amrit. AMRIT OCEAN RESORT & RESIDENCES

Amrit Ocean Resort & Residences, Palm Beach

In these times, wellness is needed more than ever. Recharge and recover at this Singer Island hotel, where your stay will revolve around nutrition, fitness, mindfulness, relaxation and sleep. When Amrit opens in December, seek care with integrated therapies, a wellness zone (with complimentary medicine practitioners, naturopaths, nutritionists, acupuncturists and osteopaths), the Aayush Hydrothermal Experience (the only indoor/outdoor hydrothermal ritual in Florida) and many more good-for-you offerings.
